LAFAYETTE
SETTLED 1848 — INCORPORATED 1968

This year marks the 150th anniversary of the first settlement of Lafayette, when Elam Brown chose the beautiful Happy Valley to build his first home. He would be quite surprised by the changes in town today — the freeway, BART, traffic in general -- but I hope he would be pleased that even with our growth, we have managed to keep the small town ambiance, and our quality of life.

The scenic beauty of Lafayette remains with the protection of the hilltops from buildings, and our creeks for the most part are open and now have more protection than in the past. Lafayette is a wonderful place to live, and work. We have schools that consistently rate the highest in the state, beautiful hillsides, and a downtown that is undergoing a rebuilding to maintain its main street flavor.

We are also celebrating the 30th anniversary of the incorporation of our City, and the 50th anniversary of the Chamber of Commerce. In 1968 citizens got together to create our city in order to have control over local land use. By voting to create the City the citizens of Lafayette took control of the destiny of our city. This was just the start of a strong commitment by residents of Lafayette, who continue to volunteer in all aspects of City life. Over 150 people are involved in committees and commissions just in City government alone, and hundreds more are active in the business community, homeowner associations, swim clubs, schools, youth activities and religious involvement.

Our citizens truly make Lafayette a "community" in every sense of the word.

LAFAYETTE CHAMBER OF COMMERCE
1948-1998

In 1944 as World War II was drawing to a close, a group of business people and downtown property owners in Lafayette began a series of meetings that ultimately led to the formation of the Lafayette Chamber of Commerce. Their concerns were not unlike the business community's concerns today: street design, sidewalks, offstreet parking, store facades, attracting new businesses to town, and collaborative shopping promotions.

The Lafayette Chamber of Commerce was formed in 1947 and officially incorporated by the State of California on January 17, 1948, as a corporation which "does not contemplate pecuniary gain or profit to the members thereof, and that the purpose for which the corporation is formed shall be the advancement of the civic, commercial, industrial, and agricultural interests of Lafayette.........; promotion of the general welfare and prosperity of the city, county and its surrounding territory, and the stimulation of public sentiment to these ends; and the providing of such social features as will promote these purposes."

The original directors whose names appeared on the Articles of Incorporation were Arthur Westlund, B. Don Blackwood, Mel Nielsen, Carl G. DeTar, W. LLard Smith, Robert M. Budlong, and Matt Connelly, Jr. Their leadership and dedication established a model of concerned involvement within the business community that continues 50 years later.

With a membership of nearly 500, today's Chamber remains the primary advocate for business within Lafayette and the surrounding communities. Through its elected Board of Directors, the organization implements a variety of programs to help businesses remain informed and successful.

Opportunities for networking, for promotion and education are available throughout the year. A "Shop Lafayette" campaign, organized through the Merchants Committee of the Chamber, spawned a variety of activities in 1997 to boost awareness of local businesses and educate Lafayette's citizens to the importance of shopping locally because of the direct impact on the City's revenues.

Chamber activities which provide opportunities for networking and showcasing the member businesses include:

Technology Fair
Lamorinda Business Fair;
Monthly mixers;
Ambassadors program;
Leads groups;
Monthly newsletter;
Lafayette Business and Community Directory;
Shopping Guides;
General Membership Meetings

The Business Issues Committee of the Chamber is charged with identifying and monitoring issues within the City that impact business. Dialogue on issues with members is solicited through one-to-one meetings and public forums such as the monthly Mayor's Breakfasts. The committee's information is presented to the Board, often with a recommendation for action. The BIC and Board leaders then represent this position to the appropriate governmental bodies. In many cases, the Chamber's counsel is sought by the City's leaders in the planning stages of any activities impacting the downtown community - from redevelopment, road and drain improvements, traffic and parking issues, proposed legislation, new developments and more.

"Community" is stressed in the many events the Chamber organizes throughout the year, involving hundreds of volunteers and benefitting many local organizations. Included among those activities are:

Concours d'Elegance de Lafayette
The Lafayette Art & Wine Festival;
The Lafayette Reservoir Run;
The Performing Arts Gala;
Thanksgiving Community Breakfast;
Citizen of the Year;
Business Person of the Year;
Teddy Bear Brunch.

The Lafayette Chamber of Commerce today, as it moves toward the 21st century, continues to mirror the commitment and goals of the founders fifty years ago.

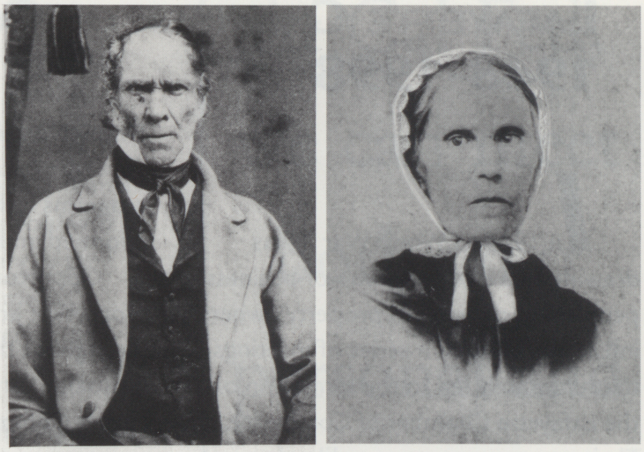
HISTORY OF LAFAYETTE



Lafayette founder Elam Brown (1797-1889) and Margaret Allen Brown (1794-1884)

A few broken arrowheads, pestle and mortar, and crude tools are the remnants of the Bay Miwok Tribe, the first known inhabitants of what is now Lafayette. Like contemporary inhabitants, they liked the temperate climate. They depended on a local and abundant food supply; we go to Diablo Foods, Safeway, Lucky, or one of the many restaurants along Mt. Diablo Boulevard. Spanish missionaries worked these Native Americans until they died of illness or drove them away.

General Vallejo called what is now Lafayette, Rancho Los Sacalanes in honor of the Saklan Indians he had met at Mission Dolores. In 1823, when Mexico took control, soldiers were granted land rather than money for their service.

"The land I want is Rancho Los Sacalanes," Candelero Valencia told General Vallejo.

The General signed over the property, failing to record the first "s" so it became Rancho Acalanes. Other land grants also are part of present day Lafayette.

These Mexican landowners raised free ranging cattle, which they rounded up once a year, sorted by brand, and slaughtered. Then they held a grand fiesta. Exports of hides and tallow netted the Mexican government about a million dollars a year.

This year's celebration of the Sesquicentennial dates to the arrival of Yankee settlers. One hundred and fifty years ago, on February 7, 1848, Elam Brown and his family camped just off what is now Happy Valley Road.

Pioneer Store, 1903. Benjamin Shreve's store, built circa 1864, was purchased by Robert McNeil in 1902 and operated by him until 1935. The building, located at 3535 Plaza Way, is Lafayette's oldest remaining structure. It was dedicated as a State Point of Historical Interest in 1970.

Missouri on May 1, 1846 in a wagon train which arrived at Sutter's Fort on October 10, having crossed the Sierra just days before the ill-fated Donner party.

Brown then went to San Jose, joined the U.S. Army, and helped defeat the Mexicans. While cutting redwoods in the Oakland Hills, he met William Leidesdorff, who owned Rancho Acalanes and wanted to sell the property.

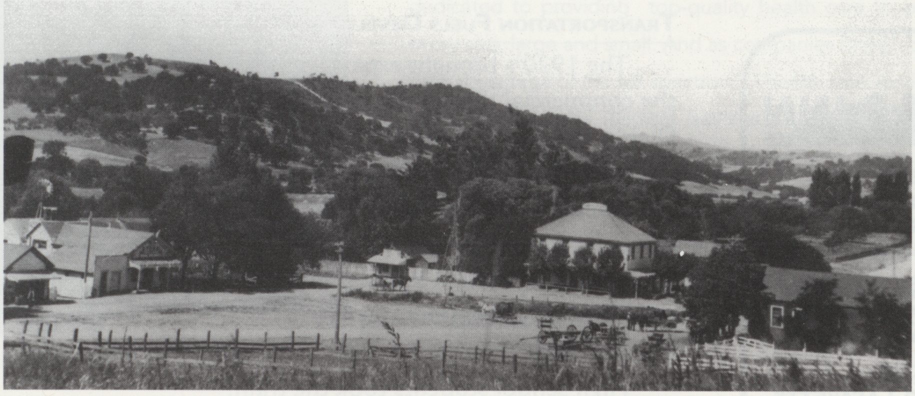
Brown had married Margaret Allen, whose husband had died on the wagon trip, and with funds she had brought in a clock case, he purchased the land for one thousand dollars. The happy seller threw in three hundred head of cattle.

When the Browns arrived on February 7, 1848, Margaret wanted a roof over her head. She set to fixing dinner while her husband and sons built a lean-to. A more substantial home was later built using timber from the nearby hills.

The Browns planted grain quickly while the rainy season continued, then harvested, and took it to San Jose for milling - a journey of several days. The next year, Brown bought a horse-powered gristmill to grind the wheat. In 1853, he installed a steam-powered mill on the creek near the present First Street.

Commercial District Develops

On the eastern side of the Oakland Hills, redwoods were logged, hauled by oxcart to Pacheco (then a port), and loaded aboard steamers for San Francisco. On this journey, an overnight stopping place was called for, requiring a hotel, bar, grocery, and blacksmith shop.



Lafayette and The Plaza, circa 1910. Left to right: The Geils Building, Pioneer Store, Stark's Meat Market, Lamp's Hotel, Peter Thomson's Blacksmith Shop.

This brought about development of a rudimentary commercial district along the present Golden Gate Way between First and Second Streets. Milo Hough built a hotel in 1854 and became postmaster of Acalanus Post Office.

Elam Brown convinced Benjamin Shreve, a Kentucky gold seeker, that teaching school was a more rewarding occupation so for $60 a month, Shreve taught school in a small building near the commercial district. He opened a general merchandise store near the school in 1855.

Post Office Established

Two years later Shreve applied to be postmaster under the name of Centerville. This was denied by the U.S. Postal Service. A second application under the name LaFayette was accepted.

The logging route, which dictated the site of the first commercial district, came through Moraga cutting across the present Lafayette School site to about First Street. In 1860, Brown realigned Moraga Road to its present location. A building housing a general store and post office was erected near the corner of Moraga Road and Plaza Way, and still stands. Current occupants are Handlebar Toys and A-1 Photo Lab.

In 1864, Brown gave the Plaza Park property to the citizens of Lafayette to remain forever as a park, though it has shrunk in size over the years.

The redwood shipments ended in 1860. The plaza area had a new hotel on the corner of Moraga Road and Mt. Diablo Boulevard. Across the street was Peter Thomson's Blacksmith Shop, site of the current Bank of America. The Pony Express used Lafayette as a change-of-horse station for about eighteen months during this time.

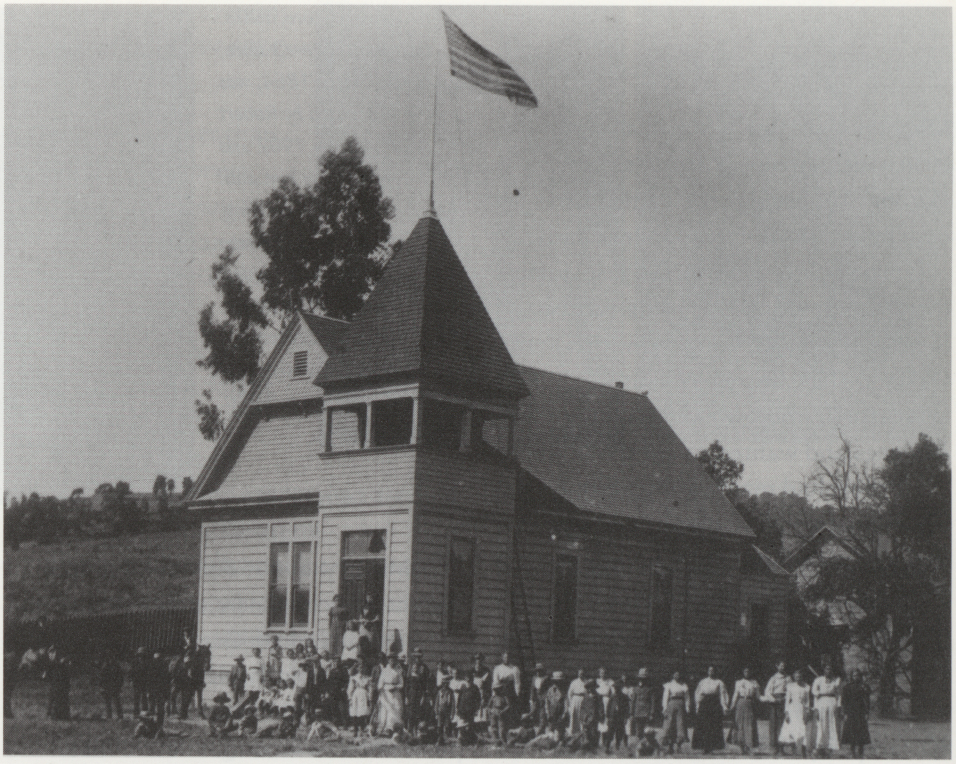
HISTORY OF LAFAYETTE



Lafayette Schoolhouse, circa 1900. Built in 1893, it was Lafayette's third school. In 1927 the Lafayette Methodist Church moved into the building, which still stands on Moraga Road.

FIRST SCHOOL BUILT

Schooling stopped in the community when Shreve quit teaching but restarted in 1860. As the population grew, a new school building was erected just west of the present United Methodist Church on Moraga Road. This building was later moved to Mt. Diablo Blvd. and is now part of La Fiesta Square.

Jenny Bickerstaff, a graduate of the school, taught at Moraga School, riding sidesaddle daily from Lafayette to Moraga to perform her tasks. A third school building, erected in 1893, is now incorporated into the Lafayette United Methodist Church.

Fire destroyed the Moraga Road hotel in 1885 and Elam Brown's gristmill as well. A new hotel went up. A disgruntled patron burned it down in 1892. Two years later the Wayside Inn was built. It is now a thrift shop owned by the Assistance League of Diablo Valley. Philip Lamp erected another hotel in 1900 which burned in 1929.

Robert McNeil bought Shreve's general store in 1904 and renamed it the Pioneer Market: as such, it was in operation until the early 1950s. McNeil erected a fence around the plaza to prevent young men from racing their horses around the park, creating a dust cloud that permeated every building in town.

In 1914, the Lafayette Improvement Club built the Town Hall. A popular place for dances, it attracted people from many parts of the Bay Area. Public meetings were held there. Today it houses the Town Hall Theatre of Lafayette.

TRANSPORTATION FUELS DEVELOPMENT

The 1920's brought expansion of the commercial district west along Mt. Diablo Boulevard, fueled by the first tunnel built through the Oakland hills in 1910 and, in 1913, passenger service through the community offered by the Sacramento Northern Railroad. That right-of-way is now the Lafayette-Moraga Trail.

High school students took the train, traveling to Mt. Diablo High School in Concord. This passenger service stopped in 1941. Freight service continued until 1957. By this time, the Caldecott Tunnel and the Bay Bridge destined Lafayette to

Margaret Jennie Bickerstaff (1872-1966) at age 25. She rode sidesaddle each day from her home in Lafayette to teach at Moraga School.

become a "bedroom community."

A part of Acalanes High School was completed in 1940. Classes began. After World War II, the growth of Lafayette spurted and serious traffic problems developed on Mt. Diablo Blvd. Completion of the freeway bypass alleviated this problem, though others arose. Home developments south of Lafayette led to congestion on Moraga Road. The opening of BART helped freeway traffic, but further exacerbated traffic on Mt. Diablo.

Lafayette was incorporated as a city in 1968. Luxurious homes have been built on the hills that surround the downtown contributing to the feeling of sophistication in a setting of natural beauty.

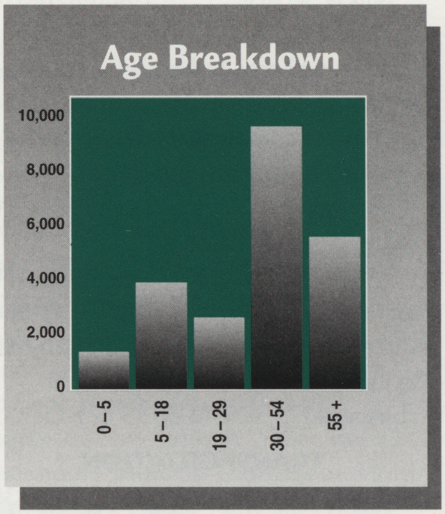
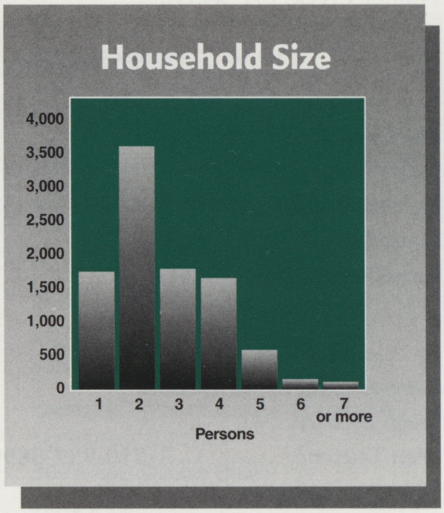
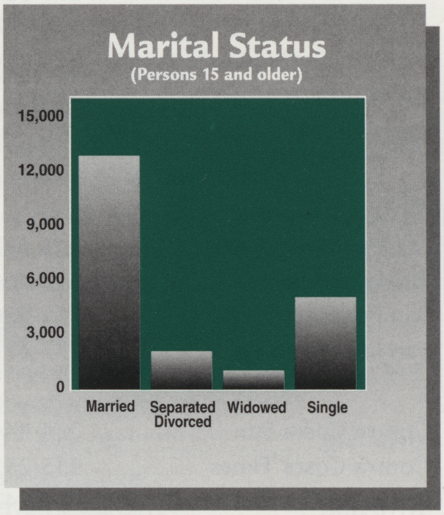
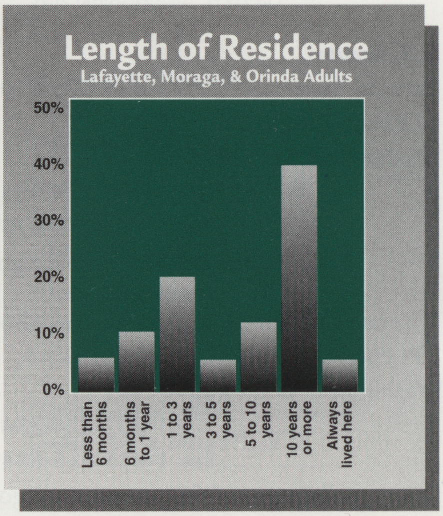
About the people who make up the numbers: Lafayette is a stable community. Although located among communities which are growing rapidly, Lafayette is one of the few in Contra Costa County not expected to grow. Why? Very little space to grow in. Expensive homes. Projections done by the Association of Bay Area governments indicate there will be very little change in Lafayette, statistically, though the year 2005. These measurements are based on population, households, employed residents and jobs in the community.

Demographic data is based on the 1990 census, Association of Bay Area Governments, and the '97 McCormack's Guide.









THE LIBRARY

The Lafayette Library, probably the oldest in Contra Costa County, has come a long way since it originally opened as part of the Lafayette Town Hall in 1860. Now located at 952 Moraga Road, the Lafayette Library offers a wide range of materials and services aimed at meeting the needs of today's busy lifestyle:

☐ adult, teen and children's books, magazines, videos, CD's, CD-ROM's and cass-ettes for work, school, and entertainment
☐ a fine selection of books on tape, especially enjoyed by busy commuters
☐ children's programs, from story times for preschoolers to summer reading programs which inspire children of all ages to read
☐ reference materials and a trained staff to help find answers
☐ and much more!

As part of the Contra Costa County Library System, the Lafayette Library's resources extend beyond what is located at 952 Moraga Road. Thanks to a computer system which links all 20 branches and the main library in Pleasant Hill, items not available at the Lafayette Library can be located, requested and delivered to the Lafayette Library for the person who requested it.

Library cards are free. Adults and teens need only present identification showing current address. Children under 13 require a parent's signature. Your Contra Costa County Library card may be used at any Contra Costa County Library branch as well as at any library within the Bay Area Library & Information System. (BALIS). BALIS libraries are: Alameda City; Alameda County; Berkeley Public; Contra Costa County; Hayward; Livermore; Oakland; Richmond; and San Francisco Public Libraries.

The Friends of the Lafayette Library, an active support group, holds Book Sales the first and third Saturday of the month from 9:00 - 12:00 noon at the Lafayette Community Center (500 St. Mary's Road). All proceeds are used solely for the enrichment of the Lafayette Library. Lafayette Library Hours:

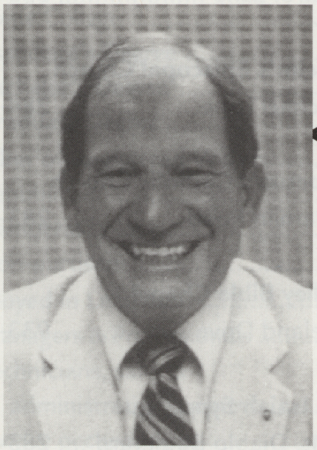
THANKS FOR 30 WONDERFUL YEARS!



Edwin Stokes, president
Diablo Foods

Do You Remember 1968? That was the year Lafayette became a city; the Green Bay Packers beat the Oakland Raiders 33-14 in Super Bowl II; Jackie married Ari; the mini-skirt was more popular than the midi; everybody was humming or singing *Hey Jude,* the Beatles' big hit . . . . and in April that year a new kind of supermarket was started, featuring only the best USDA-graded meats, fresh-daily fish, local fresh poultry, extra-fancy produce, and the friendliest clerks. That was us—Diablo Foods. We're bigger now, but we're still locally owned and we still care about you. Thanks for 30 wonderful years! Please keep coming back!

Wings of Solimar
an Angel Gallery

Do Angels really exist? They do in Lafayette!

Wings of Solimar...an Angel Gallery was opened in September of 1997 by Christina Taliaferro, a woman who was brutally raped 10 years ago—a woman who, with angelic guidance, has dramatically reclaimed her life and is living her dreams. Just a few years ago, in a moment of final despair, Christina reached out to the universe for help. In that moment she recognized the voices within that had always been there—the angelic guidance that she had so long denied. Led by the Angels, the vision and creation of an Angel gallery has come to Lafayette. Come open new doors of awareness.

If you haven't experienced the Lafayette Community Center, you're missing quite a treat! Nestled in beautiful Burton Valley, the Center has become many things to many people. It's a place where parents can enroll toddlers in safe, loving activities; where teens can sign-up for exciting trips and attend drug/alcohol free band concerts; where adults can choose the fitness program that suits them best, where people paint, train their dogs, french kickbox belly dance, line dance, jazzercise, have their colors done, and have their chi strengthened. Lafayette Community Center customers wear sweats, tu-tus, t-shirts, cowboy boots, rollerblades and big smiles! Call the Community Center at 284-2232 and request an activity brochure or, better yet, drop in for a visit any Monday through Friday between 9:00 am and 5:00 pm. LAFAYETTE SCHOOL DISTRICT BOARD MEMBERS

Judy Carney, President

Scott Sommer   Shayne Silva
Mary McCosker   Darlene Rourke

Welcome to the Lafayette School District. We are a Kindergarten-eighth grade District with about 3500 students in four elementary (K-5) schools and one intermediate (6-8) school.

The District offers a full range of services based on the needs of our students, yet the basic instructional day centers around the core subjects: Reading, Language Arts and Mathematics. As a result, our students continually score within the top 10% of all California students. Most of our students will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the district is attributed to a strong, ongoing "Partnership in Education" relationship which exists among students, parents, faculty and community.

If you will have children attending one or more of our schools, we ask that you notify us as soon as possible. By doing so, we will be able to insure that your children's academic needs will be properly met.

ACALANES UNION HIGH SCHOOL DISTRICT SCHOOL BOARD MEMBERS

Fred Weil, President
Bill Jasper, Clerk — Margot Tobias
Eleni Wanken — Robert Wood

One of five schools in the Acalanes Union High School District, Acalanes High School in Lafayette first opened its doors in September 1940 to less than 400 students. It has blossomed into a four-year comprehensive high school currently serving over 1290 students.

The school has changed dramatically in its 58-year history. Originally serving five communities, Acalanes today is a very successful one-community high school priding itself on the quality of its educational program which provides a solid foundation for students from Lafayette and part of Walnut Creek.

Recognized for its record of performance and high achievement of students, the school was named twice as a California Distinguished School (1988, 1996) and has over ninety percent of students who attend college following graduation.

Acalanes offers a broad and challenging selection academic, vocational and technical courses. With a comprehensive college preparatory curriculum, it offers advanced placement courses in English, French, German, Spanish, Calculus, Biology and U.S. History. It also provides a wide range of extracurricular activities like student government and newspaper along with a strong visual and performing arts program and a full range of competitive sports for boys and girls.

It fosters close ties with the school community including Parents' and Boosters' clubs, Lafayette Arts and Science Foundation, Chamber of Commerce, City of Lafayette, and the Acalanes District Education Fund.

LAFAYETTE ARTS AND SCIENCE FOUNDATION (LASF)

Formed in 1980, the Lafayette Arts and Science Foundation is a non-profit educational foundation whose mission is to support and enrich the education of every child in Lafayette's public schools. The organization's current budget is in excess of $500,000.

Through a community based effort, LASF is able to provide each school in Lafayette with hundreds of hours of top-quality academic enrichment programs and teacher training, primarily in the areas of choral and instrumental music, visual and performing arts, science, social studies, the humanities, mathematics and computer technology.

LASF unites the community in a goal of excellence for Lafayette's children. For more information, please write to LASF, P.O. Box 923, Lafayette, CA 94549. You may also call (510) 943-6559, or check the web site at wwn. lasf.org.

LAFAYETTE RESERVOIR & RECREATION AREAS

Located off Mt. Diablo Blvd. on the west end of Lafayette, the Lafayette Reservoir was completed in 1933 to be used as a standby supply of drinking water for East Bay Municipal Utility District (EBMUD) customers. The 925-acre site with 1.4 billion gallon reservoir was opened to public recreation in 1966. Besides being used as an auxiliary water supply, the reservoir is a recreational area for hiking, fishing, boating and picnicking.

The recreation area is open year-round during daylight hours. Opening and closing times are posted at the gate. There is a daily parking fee for cars or a yearly permit may be purchased instead.

Fishing is free at the reservoir; only the usual state license requirements and bait restrictions apply.

The State Department of Fish and Game plants many thousand catchable trout each year; the reservoir also contains bluegill, black bass, black crappie and several kinds of catfish.

Privately owned rowboats, canoes, kayaks and sailboats are allowed at the reservoir. There is a fee for boat registration. In addition, there are rowboats and pedal boats for rent at the activity center on an hourly, half-day, or all-day basis. Sailboats are not available for rent.

COMMUNITY EVENTS

"What makes Lafayette really special is the focus on families and community in so many of the events that take place. Of course, none of this could happen without the hundreds of volunteers who give so generously of their time and talents."

LAMORINDA BUSINESS FAIR

Everything from fine artwork to computers and chocolate are on exhibit at the Lamorinda Business Fair. Sponsored jointly by the Lafayette, Orinda and Moraga Chambers of Commerce, this trade show attracts a wide audience and showcases both large and small businesses. The Lafayette Park Hotel again hosts the Business Fair on April 14, 1998.

LAFAYETTE TECHNOLOGY EXPO AND CONFERENCE

Juxtaposed with the celebration of 150 years of Lafayette's history, this event premieres to bridge the gap between the city's past and its future. Bringing Lafayette into the new millenium, the Technology Expo and Conference on June 15 is designed to showcase the city's developing hi-tech companies, attract growing companies to our area, and spotlight the myriad services and resources available for improving business through technology.

CONCOURS D'ELEGANCE DE LAFAYETTE

In 1971, shortly after Lafayette's incorporation as a city, leading civic figures and representatives of the Sports Car Clubs of America (SCCA) launched the first Concours d'Elegance de Lafayette. July 12 marks the 28th anniversary of this exciting show of vintage and classic automobiles, making the Concours the oldest community event in Lafayette.

LAFAYETTE ART & WINE FESTIVAL

The Lafayette Art & Wine Festival was launched in 1996 and the two-day celebration quickly became the city's largest event. Mark your calendars for September 19 and 20 when this year's Festival returns with the spotlight once again on local and regional artists, restaurants and food vendors, wineries and microbreweries. Adding to the weekend's excitement will be the return of the Lafayesta Days Sesquicentennial Parade and a host of other special activities celebrating the 150th anniversary of the arrival of the first Yankee settlers in Lafayette in 1848.

PERFORMING ARTS GALA

Lafayette's celebration of the arts culminates with the Performing Arts Gala on October 23 and 24. The Gala showcases local professional and pre-professional performers in an evening of music, opera, ballet and musical and dramatic theater in Lafayette's historic Town Hall Theatre. Co-sponsored this year by the Theatre and the Chamber of Commerce, the Gala supports various performing arts activities including scholarships for local young artists and our own award winning Town Hall Theatre.

LAFAYETTE RESERVOIR RUN

The Lafayette Reservoir Run has become the city's largest "family affair", involving kids, parents, grandparents, and hundreds of serious runners. 2000 participants are expected to compete in this year's 10 kilometer race down Mt. Diablo Boulevard through the heart of the downtown, around the reservoir and back. The 2 mile or the newly added 5 kilometer alternatives attract sprinters, walkers, the "stroller brigade", and others. All the courses are designed to take advantage of the natural beauty of Lafayette, the Reservoir and surrounding hills. The Chamber of Commerce and the City of Lafayette are co-sponsors of the Run which is traditionally held on the last Sunday in October. Beneficiaries of the event are the local schools and the services and programs of the Chamber.

TEDDY BEAR BRUNCH

Families are now kicking off the holiday season in Lafayette at the annual Teddy Bear Brunch. Scheduled for the first Saturday in December, this "dress up" event draws grandparents, parents and children to the elegant Lafayette Park Hotel for brunch, a fashion show featuring our local kids, and other seasonal entertainment. Sponsored by the Chamber of Commerce, this perennially sold-out show benefits the Bay Area Crisis Nursery.

HOUSING

Lafayette projects its uniqueness in many ways: diverse topography, small town atmosphere, access to a variety of recreational activities and established neighborhoods. The housing options are equally diverse, subsequently having no "average". No undesirable residential neighborhoods exist in Lafayette. Throughout the community from downtown districts to hidden valleys, there is an obvious emphasis on preservation of the natural surroundings. Housing ranges from one bedroom apartments to large, single family homes.

Average housing prices:	
3 bedroom	$373,000
4 bedroom	$524,000
2 bedroom condominium	$215,000
Rentals:	
1 bedroom apartment	$850
2 bedroom apartment	$975

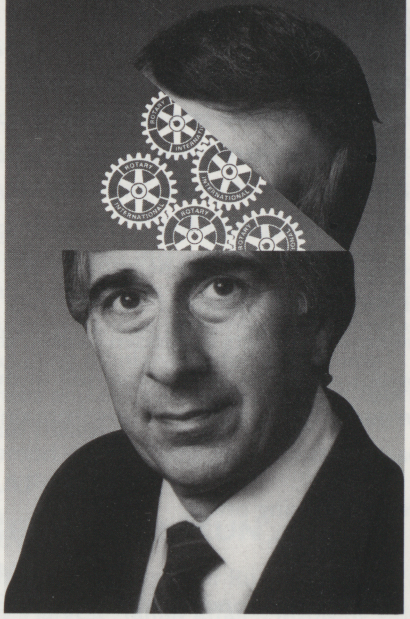
Some people think we're odd.



We pick up freeway trash, deliver meals to seniors, hand out cash on our birthdays, put on bunny suits and concerts at the "Res". We trade insults - not stock tips and volunteer valuable business time, expertise and energy for free.

We've also cooked hot dogs at the Concours, helped build the Community Center and met at the Veterans Memorial building every Thursday noon for 51 years just to find more ways to give away something for nothing.

Crazy, right?

Not if you think like The Rotary Club Of Lafayette.

We've discovered that working together in friendship and fun to help people and make our community better can be as rewarding as money in the bank.

Finding the right people to keep us growing is a challenge, tho. If your business demands are flexible, you enjoy that great feeling of helping others and would like to learn about joining us, call our secretary, Jerry Jensen at 284-4642.

And you don't have to be a little odd.....but it helps.

Introducing Oakwood Athletic Club – your answer to life-long good health and fitness.

Opening in the late summer of 1998, Oakwood Athletic Club has been thoughtfully designed to blend with the rolling, oak-studded hills around it. Within the Club, we have created a fitness-enriched environment that allows you to experience the warm glow of accomplishment and vitality that comes from a fitness program that challenges both mind and body.

Oakwood, the beginning of a legend – be a part of it.
